

# 2020 Commitment Form

Every April, Prevent Child Abuse Oregon and other state partners come together for our annual Pinwheels for Prevention campaign to help raise awareness and promote ways in which together we can strengthen families in our communities. The pinwheel represents our efforts to change the way communities and organizations think about prevention, by focusing on programs and public policies that support and strengthen families. Prevent Child Abuse Oregon is a chapter of Prevent Child Abuse America. For more information about the national campaign, visit the Prevent Child Abuse America website.

Help us organize activities across the state by completing our Campaign Commitment Form. This will allow us to track everything that is happening in April and support local efforts by sharing, cross posting on social media, and promoting local gardens and events. We will be recognizing local organizations and businesses throughout the month of April and May. Joining the campaign also gives you access to additional materials and resources that are not available to others.

If you need pinwheels or other materials for the year, please fill out the Commitment Form as well as the Order Form found on page 2. Don't need to order materials this year? No problem, just complete your commitment form.

Let us know if you plan to... Reuse pinwheels  purchase from another vendor  or no pinwheels are required

Individual/Business/School/Organization Name: \_\_\_\_\_

Contact Person: \_\_\_\_\_
